Reasons of Wisdom

A customer purchasing a \$1,000 investment from us the other day gave these reasons for buying from us:

- 1. The interest is as large as I would get if I had made a loan myself.
2. The character of the property is far better than I would have to accept for a loan of \$1,000.
3. The examination and care in the legal preparation of the loan is greater than I could expect if making a small loan, and more thorough than I would demand with my limited knowledge.
4. The fact that you have seen fit to invest your own money in this loan confirms my judgment in its selection.
